Re: Happy New Year and Welcome Back

Dear Student

Happy New Year and I hope you had an enjoyable Christmas break. Classes will be resuming on-site in the College on Monday January 10th. We are looking forward to seeing you.

As you are no doubt aware, the level of Covid-19 infection in society is very high at the moment, and the Omicron variant is highly infectious. The health and safety of staff, students and members of the public who enter our College buildings is our top priority and we must all play our part. Please remember the simple but important public health measures that we must all follow:

- Wear a facemask (over your nose and mouth)
- Wash your hands frequently
- Sanitise your hands and work space before and after use
- Watch your social distance.

If you have any questions or require any further information, please contact your course tutor, or any of your teachers.

Best of luck with your studies for the second semester of your course.

Kind regards

Rory
